Media Note/PRESS RELEASE

Barstow, CA
February 8, 2018

ecBarstow.com/Barstow Area Center for Entrepreneurs, 1041 West Main St., will present phase #3 Thursday, February 8th @ 3pm. ecB continues to unlock economic and educational potential utilizing pedagogical strategies . . . which are powerful growth mindset contributors. Entrepreneurs and engaged Students are committed to growing the local formal economy, however, they often face disproportionate barriers, including internet access and travel distances, states Paul Anthony Courtney, Entrepreneur and College Professor . . . “ecbarstow.com will continue to challenge the status quo and then some” . . .

ecBarstow.com is centrally located where students, parents, individuals, job seekers, advisors and business operators have access to essential resources: OSHA 10 hr. and 30 hr. Training, GED Testing, Public Computers, Public Work Space, Meeting Areas, *Notary, IT/Computer Training, WEB Design, Errands R Us, Administrative/Office Support Services, Education Referrals, Education Advise,*Financial Planning, Business Planning, Signature Training, Transportation Services, Marketplace . . . and then some. All deliverables are designed to facilitate and develop entrepreneurial/educational enhancement capacities. “The eCenter provides an educational/entrepreneurial ‘hub’ that creates a robust exchange of ideas/communication that stimulates growth and benefits for the entire community”. – Rodney Brand Jr. Entrepreneur, Brand Industries.

The Center also seeks to augment the educational offerings of local schools, by coordinating and offering paid and non-paid internships in the educational development areas of, customer service, human resources, marketing, sales, employment acquisition, leadership, employment re-entry and business planning. The eCenter supports economic diversification and seeks to serve as a catalyst for innovation that will stimulate growth mindsets. When fully operating, the Resource Center will be lead, managed and operated by K-12 grade students, college students and subject matter experts.

ecBarstow.com seeks to serve as an example of how private industry can cohesively work with educational, community and governmental leaders to successfully promote entrepreneurial activity. J. Adaberto Quijada, Director/SBA, U.S. Small Business Administration has agreed to incorporate SBA Resources into the eCenter. Additional details will be released as they come available.
